Appellation	Fort Ross – Seaview, West Sonoma Coast
Varietal	100% Pinot Noir
Clones	Blend of 54% Mt. Eden and 46% Swan
Cooperage	10 months in a mix of French oak barrels
Winemaker	Thomas Rivers Brown

## PROFILE

The growing season conditions were extremely favorable throughout this vintage and the proof comes through in this Estate Pinot Noir. The dark color of the wine inspires intrigue and draws you in by its mere presence. Exotic aromas emerge from the glass in concert suggesting notes of black tea, tart bramble fruits, quince, and anise. The densely layered palate is defined by a fine-tuned structure highlighting notes of pomegranate, lavender, and fresh sage. While still young and bold, this wine shows incredible potential to unpack with time in a decanter, or in a cool dark cellar. While this wine has much to offer today, the greatest truths this wine will tell can only come with time. — Thomas Rivers Brown, Winemaker

## VINTAGE

Farming on the West Sonoma Coast, we experience years where we have a lot of quantity, or a lot of quality, but rarely both. 2021 marked a year where the stars aligned and the Boars' View Estate vineyard in the Ft Ross mountains produced a plenitude of dazzling Pinot Noir and Chardonnay. This is a vintage that only comes around once every so often and we couldn't be happier to share our good fortune with

## VINEYARD

Boars' View Vineyard is located in the Fort Ross – Seaview sub-AVA within the West Sonoma Coast, and is two ridge lines in from the Pacific coastline, where the microclimate ideally balances the cooler morning marine influences with warmer midday and afternoon temperatures. The site was developed by legendary vineyard manager Ulises Valdez Sr. working hand-in-hand with brilliant winemaker Thomas Rivers Brown. After extensive soil assessment, the duo determined California heritage clones would thrive in the warmer region and planted Calera, Mt. Eden and Swan clones in the predominantly Goldridge loam soil of the mid-saddle and lower sections. Atop the hill, the silty clay soil was selected for growing Chardonnay and Wente clone was planted. Valdez & Sons continues to meticulously tend our vines and each year brings forward the finest crop from which Thomas and his team are able to handcraft the most expressive wines possible.
